If you're in St Bees to begin the Coast to Coast, please don't leave town without your passport.

After 52 years and millions of footsteps, there's now a fun way for you to record your journey, *provided* you have your own Coast to Coast Passport.

Here's how it works: At each of 29 different locations, from St Bees to Robin Hoods Bay, you collect unique Passport Stamps. At the end of your adventure, you'll receive an Official Completion Certificate. It's that easy and when you get home, you'll have a permanent record of your accomplishment.

Better still, in many of the places you visit during your trek, you'll be able to make **substantial savings** on food and drink, walking gear, books,
